Binghamton, N. Y.—Harry Sieden-  
burg, 14, shot and killed himself be-  
cause parents locked up his new

### WOMEN FIGHTING KILENS

A bitter fight is being waged  
against Representative Hubert Ki-  
lens, candidate for alderman in the  
29th ward, by the Women Wage Earn-  
ers' Citizenship league, according to  
Sec'y Margaret O'Neill. Kilens voted  
to delay action on the child labor bill  
in Springfield.

An auto truck is touring the dis-  
trict, she says, bearing the following  
sign:

"Protect the health of your work-  
ing women. Representative Kilens  
says that the working women in his  
district do not want the eight-hour  
day and voted to delay action on this  
bill last Tuesday. Answer him at the  
polls on Tuesday. A vote against Ki-  
lens is a vote for a shorter work day  
for women."
